MEMORANDUM FOR: Deputy Director for Intelligence
FROM: Deputy Director of Central Intelligence
SUBJECT: "Yuriy Vladimirovich Andropov," CR 82-15053,
September 1982

1. At our luncheon today, Secretary Shultz was extremely laudatory on the value of the Andropov publication. He said it was an outstanding piece of work and was dog-eared from him having read it so many times. He said that after seeing Andropov he reread the paper and it sharpened his understanding of Andropov considerably. He felt that it was right on target.

2. Please convey to your analysts who prepared the publication the Secretary's commendation.
